Scholarship Policy

The Brushy Creek Municipal Utility District Youth Scholarship Program provides financial aid for eligible Brushy Creek Municipal Utility District youth, up to and including high school seniors, utilizing private donations received by the District for such purposes. In addition, the financial aid allows the opportunity to participate in any Parks & Recreation classes, programs, and activities.

2. The availability of scholarship funds is subject to the receipt of private donations by the District for such purposes.
3. Upon scholarship approval, funding is not guaranteed. A final determination as to scholarship money shall be made at the time of registration in a program.
4. The maximum amount awarded per calendar year will be \$250/family (pending funding availability). Scholarships will be granted only if funds are available and can be used during the current calendar year, and funding MUST be used by December 20th or returned to the youth scholarship fund.
5. The youth scholarship program will pay 80% of the user fee. Participant responsibility is 20% of the user fee.
6. Scholarship funds cannot be used towards memberships, day passes, or facility rentals. Scholarship funds are available only for classes, programs, and activities.
7. The scholarship program is only available for youth, up to and including high school seniors.
